Brian Placona Receives the Prudential Community Spirit Award

Brian Placona, a Junior this year at

"Presented by the President's Council on Service and Civic Participation to Brian Placona in recognition and appreciation of your commitment to strengthening our Nation and for making a difference through volunteer service."

Fox Lane High school, received the Prudential Community Spirit Award this spring. The award is a national program available to 4H, scouts, schools etc. FLHS nominated Brian for the 1,000+ community service hours he served with the Green Street Mount Kisco Hook & Ladder Company. Brian was honored to accept the 'Gold' level award with a letter from the President of the United States and a certificate from the Village Trustees of recognizing his accomplishment.

Brian played on Mt. Kisco Supply which is now Bellizzi under coach Angelo Luppino. A team leader on Supply and a three year catcher, he went on to continue to play for MK in 13,14,15 and 16 year old divisions.

Little League is probably the first time a child deals with the pressures

of success, adversity and trying to fit in as a person. Each player comes into the league as a young child and leaves well on their way to young adult. Our hope is that all players become role models like Brian and ultimately experience this kind of success and recognition along the way!

MKLL extends our heartfelt congratulations to Brian and his family... **He is one of ours!!**

-Mr. Reilly
